

Radiologist

Bollnäs, Sweden

Bollnäs Hospital is looking for two radiologists to work in the public healthcare in Region Gävleborg, Sweden!

Main responsibilities and expectations

- As a specialist physician with them, you will work both independently and as part of a multidisciplinary team together with other professions, competencies, and knowledge areas in order to deliver high-quality and comprehensive care for the patients.
- They are looking for a broad general radiology profile with competence in conventional Xray, Ultrasound, and CT.

What's expected of you

- To have a specialist title in radiology.
- To have strong teamwork skills, as well as leadership skills.
- It is desirable to have experience in fluoroscopy, ultrasound, emergency radiology work but not required.
- Ability to complete the intensive Swedish language course (MediCarrera program) is required.

Salary and conditions

- 25 working days of vacations.
- The average gross monthly salary for a specialist doctor in Sweden is approximately 80,000–110,000 SEK (around 7,000–9,600 EUR), depending on experience.
- Possibility of evening and weekend on-call/standby duty, but with placement in Hudiksvall.
- On-call work is not mandatory.

MEDICARRERA OFFERS

- A free visit to see the place where you will live and work and meet future colleagues.
- A free online preparing and intensive language course.
- A free intensive online language course for partners.
- 2 weeks of face-to-face classes in Spain, with accommodation and free flight tickets for the doctors.
- A scholarship for the intensive language course of 1200€ monthly.

OUR SUPPORT

- We find you a place to live and help to register your children in a school or kindergarten.
- We help you with practical matters, such as social security number, medical card, bank accounts, etc.
- We help your spouse with sources for job search.
- We contact the moving company and arrange the moving trip.
- You receive an information package with practical details and a contact person to call in case of any problems.

MediCarrera

ABOUT THE HOSPITAL

Approximately, there are 27,000 inhabitants in Bollnäs municipality.

The radiology department in Bollnäs performs approximately 24,000 diagnostic examinations per year with equipment consisting of:

- Two ultrasound machines
- One MRI scanner
- One CT scanner
- Two conventional X-ray units, one with fluoroscopy functionality

The radiology department is part of the Department of Imaging and Functional Medicine. We work with diagnostic radiology in suitable facilities with modern equipment.

Bollnäs Hospital is a medical emergency hospital, which means that our activities at the radiology department consist of both emergency services and scheduled examinations.

The radiology department in Bollnäs has been renovated during the year and a large part of the equipment has been upgraded.

Staff:

- 1 senior consultant
- 1 specialist physician
- 14 radiology nurses
- 8 assistant nurses

Bollnäs

Region Gävleborg

The Gävleborg region, home to the welcoming town of Bollnäs, offers an appealing living experience that combines natural beauty, cultural traditions, and modern amenities. Situated in central Sweden, the region is known for its forests, lakes, and outdoor opportunities, while Bollnäs serves as a vibrant local hub with a strong sense of community.

The region offers year-round access to nature, with scenic hiking and cycling trails, fishing and swimming in the summer, and skiing and other winter sports during the colder months. Gävleborg is also rich in cultural heritage, with local festivals, traditional music, and historic sites that reflect the area's unique identity.

As a central town in southern Gävleborg, Bollnäs combines the charm of a smaller community with access to important services. Residents enjoy a variety of shops, restaurants, schools, preschools, and healthcare facilities, all within a safe and family-friendly environment. The town also hosts cultural and sporting events, making it an active and welcoming place to live.

Bollnäs is well connected by train and road, providing convenient access to nearby cities such as Gävle and Stockholm. With its supportive community, good infrastructure, and surrounding nature, Bollnäs and the Gävleborg region offer a high quality of life for both individuals and families seeking a balanced lifestyle.
